**ART SHOW CODE EXAMPLES**

Assigned School Code \_\_\_\_\_  
Teacher Code \_\_\_\_\_  
Student Code \_\_\_\_\_

Group I \_\_\_\_\_ (Grades 7, 8) or Group II \_\_\_\_\_ (Grades 9, 10, 11, 12)

For example:

Stanwood Middle School's code is taken from the assigned school code list. The teacher's code is the teacher's initials. Bill Walker's code is BW. The student code would be the number of the student on the inventory list. The first student on your inventory list would be student 1. Grades 7, 8 belong to Group I / Grades 9, 10, 11 and 12 would be in Group II.

This is the code for his first student:

21-BW-01-I

The code for Cathy Tanasse's (Glacier Peak School) fifth student would be:

52-CT-05-II

These go on the back of the pieces so that they do not get lost! **IT WILL BE DIFFICULT TO MISPLACE A PIECE OF ART IF THE CORRESPONDING CODE IS ON EACH PIECE!!**
